

Sign Bilingual Consortium Assessment Seminar

21 June 2016

Other Issues to ponder:

- NAHT Independent Review announced May 2016.
- NAHT letter to Nicky Morgan (Reading test – did not engage lower reader; called for postponement of results publication; writing assessment variation)
- NAHT calling for ‘secure fit’ as opposed to ‘best fit’
- KS1 early indicators ... they are down.
- KS Multiplication test next year
- Special Schools cannot be coasting...
- Marking and Feedback ... must impact upon learning... it must pass the ‘so what’ test!
- Links to Reviewing workload publication... (planning, marking and mid term tracking. Ofsted blog (Sean Hartford). Not loads of written evidence needed.
- Principles of effective marking (Deep marking criticised Too burdensome).
